Chesapeake District, Civitan International Annual Convention Update

Civitanians have always been flexible, but this is ridiculous! Thank you once again for being patient while we *swivel* from our first in-person meeting since 2019 to another virtual meeting. My hope is that more members will be able to take part in the Annual Convention. Through all of this, we have so much to be thankful for and let's take the time to celebrate our accomplishments of the last year and welcome in our new leadership team that will take us into the next phase of District fellowship!

III. Club Introductions

This is a special time in the Chesapeake District. We will be welcoming our friends from the New England District to this meeting. Because of limited time, we will not be making videos from each club to present during the meeting. Instead, we will be giving LIVE introductions throughout the morning.

One representative from each club in attendance will be asked to introduce themselves, give the name of their club, say where your club is located, and tell everyone about one of your favorite projects. Please limit your time to one minute.

Please reply to Jo Ann O’Toole with the name of who will be speaking from your club. Joann.otoole@comcast.net.

IV. What you need to know!

Senators Baseball Game: Linda Hadley has returned all payment sent to her electronically. She will be issuing checks to those of you who sent checks or cash payments. If you have any questions, please contact Linda at lahadley17@gmail.com.

Voting: Judge Advocate Linda Hadley has been or will be in touch with your club to give information on the number of voting delegates allowed for your club. To help avoid confusion, please inform all club members, especially those attending the virtual convention, who will be voting on behalf of your club. Please make sure to respond to Linda with the names of those members who will be voting. If you have any questions, please contact Linda at lahadley17@gmail.com.

BINGO: We had a great time playing bingo after the Spring meeting. Linda Hadley has agreed to wear the “bingo caller hat” again this time so we all can have fun! Please let Linda know if you would like to take part in this fun activity. lahadley17@gmail.com. **(Notice a pattern here?)**

Checks received for the in-person meeting have been shredded. No invoices were issued for electronic payment. All hotel reservations were cancelled by the Red Lion.
